I want to edit my current direct deposit information

### Your Information

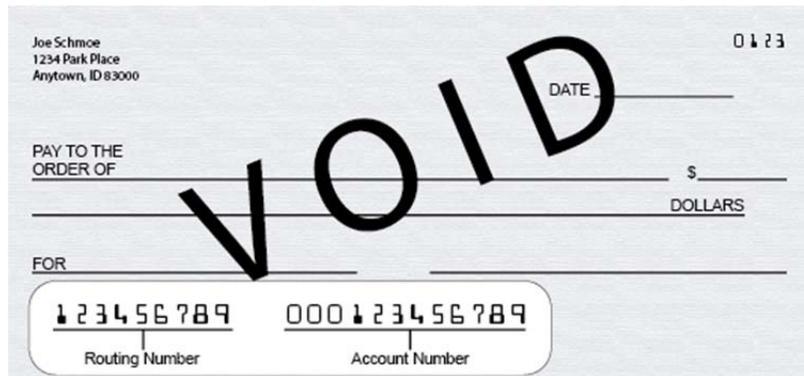

|                                    |               |
|------------------------------------|---------------|
| Name of person to receive payments | Date of birth |
| Social security number             | Phone number  |

### Your Account Information

Complete the account information below of where you would like your payments deposited or attach a voided check to this application.

|                       |                |   |          |
|-----------------------|----------------|---|----------|
| Financial institution |                | Type of Account<br><input type="checkbox"/> Checking <input type="checkbox"/> Savings |          |
| Address               |                | State   | Zip Code |
| Account holder's name | Routing Number | Account number  |          |

### Example:

### Provide Authorization

I authorize Wells Fargo Banking Services as designated agent for the Idaho Department of Health and Welfare to deposit my payments directly in to my personal checking/savings account, and if necessary, reverse any incorrect deposits related to the Idaho Electronic Payment System. I authorize my financial institution to provide the account information requested above.
