Transition Process

Your child enters the transition process when they are nearing their 3rd birthday. The school district special education team will have an initial meeting with parents.

During this time, the school district will learn about the child, review testing and/or may request further testing and observations.

Then, another meeting will be set to determine if your child qualifies for a specialized preschool program provided by the Idaho Educational Services for the Deaf and the Blind (IESDB).

Qualifying

If your child qualifies, your transition/IEP team has the option to select a specialized program that will be provided for your child.

The Deaf and Hard of Hearing programs will focus on the whole child with an emphasis on:

- ◆ Vocabulary/language development
- ◆ Basis Concepts/Kindergarten readiness
- ◆ Listening Activities

The Blind and Visually Impaired programs will focus on the whole child with and emphasis on :

- ◆ Pre-Braille activities
- ◆ Vocabulary/language development
- ◆ Basic concepts/Kindergarten readiness
- ◆ Orientation & Mobility skills
