Update on White Potatoes

- The US Department of Agriculture (USDA) has not added white potatoes to the WIC Authorized Food List at this date. Until they do, white potatoes are **not** approved for purchase using Idaho WIC checks.
- Any changes to the Idaho WIC Authorized Food List will be communicated to stores in a Vendor Bulletin.
- Please continue to use the current Idaho WIC Authorized Food List to determine which foods are eligible for purchase.

ProSobee Label Change

Mead Johnson is changing the label for Enfamil ProSobee soy infant formula. Stores will begin seeing the new label in late January or early February 2015.

Current Label: Blue
Soy for Fussiness and Gas

New Label: Green
Soy for Sensitive Tummy

WIC customers can purchase cans with either old or new labels. UPCs will not change.
