➤ Identify the name of the business entity seeking licensure and then fill out the remaining cells with each sub-entity that owns a portion of the entity seeking licensure. Each Individual, Organization, Firm, Partnership, Business Trust, Corporation or Governmental Entity with ownership interest of that directly influences the facility's operation must be disclosed. Attach a copy of the corporate organization chart which delineates each entity and the ownership and control relationships. If no owners own more than 10% interest in the entity, provide individual information for your Board of Directors.
