Update	Tammy	Tammy gave Aaron an update as to where we are in the progressing of the project.	Aaron believes we are doing a good job and have forged a good road as of now.
Provider Institutions	Aaron Tammy	Is there a list of providers that we can utilize for outreach for the project?	Each regional Medicaid office has a list of providers. Don will get in touch with the regional offices to get those lists.
Quality Assurance	Aaron	Does the department need to QA the providers on top of the QA the agency does already?	The reporting requirements that CMS has for the project requires a QA of the agency.
Provider Awareness	Aaron	Do the providers have any idea that the state has this project up and will be running soon?	Tammy and Don will be doing a mass mailing to the providers to let them know about the project and what to expect.
