**Idaho Federation of Families**  
**Family Support Partners**  
**Training Program!**

***One of the most powerful things for a parent guardian raising a child with emotional, behavioral, or mental health disorders, is connecting with another parent who understands what it's like to be on that journey. This is the foundation of the Family Support Partner Program.***

**The Family Support Partner:**

- Is a current or previous primary caregiver of a child with mental health diagnoses.
- Has completed the required training and certification process.
- Will be hired by a mental health agency providing the service after certification.
- Has time and energy to devote to working with families.

**Training Dates:**

**Boise - March 14th-18th**

**Pocatello - May 16th - 20th**

**Registration Fee is \$300.00**

**(Some scholarships are available)**
