

CHIP...

A Good Call For Your Kids

Do your kids need health care coverage?

Families who qualify have children who:

- are under 19,
- are U.S. Citizens or legal residents, and
- earn less than the family income limits below.

★ Step-parent and grandparent income isn't added in family income limits

Family Size	Family Income Limits	
	Monthly Income	Annual Income
1	\$1436	\$17,234
2	\$1926	\$23,107
3	\$2416	\$27,990
4	\$2906	\$34,872
5	\$3397	\$40,754
6	\$3887	\$46,639
7	\$4377	\$52,521
8	\$4867	\$58,405

★ If you applied for CHIP in the past and were told you didn't qualify because you earned too much ... apply again.

Dental services are not covered in CHIP B. However, it is an important part of every child's health care. It will be evaluated periodically to see if it might be added in the future.

IDAHO DEPARTMENT OF
HEALTH & WELFARE

Your Choice of CHIP B or Idaho Children's Access Card

What is CHIP B?

CHIP B is a state managed medical benefit plan for your children. You pay a \$15 monthly premium for each child. For more information on the benefit plan check the website or call the number below.

What is the Access Card?

The Department of Health and Welfare pays up to \$100 per child each month, or up to a maximum of \$300 per family each month to help parents buy an employer sponsored, or an individual health insurance plan. You pay any co-payments and the deductible.

How do you apply?

The Department of Health and Welfare will announce periodic open enrollment times when you can apply. You can only apply for these programs during open enrollment times.

Open enrollment period
July 7—16
