### LEGAL NOTICE

Pursuant to 42 CFR §447.205, the Department of Health and Welfare is giving public notice of an impending change in the Idaho State Medicaid Plan regarding the method of calculating rates for inpatient and outpatient hospital services.

The method by which the private hospital Medicaid upper payment limit is calculated for inpatient hospital services and outpatient hospital services will be revised consistent with applicable Federal regulations. The payments made to private hospitals for inpatient and outpatient hospital services will be based on the aggregate difference in the actual amount paid by the Medicaid program and the amount that would have been paid under Medicare payment principles.

The effective date is July 1, 2013 and there is no expected increase or decrease in annual aggregate expenditures. The estimated available Medicaid upper payment limit spending for inpatient and outpatient hospital services is \$25,000,000. No public hearings have been scheduled at this time.

For technical questions, or to review the changes, call Robert Kellerman at (208) 364-1994. Or, e-mail the request to kellerinr@dh.w.idaho.gov.
